

**Bay Creek Park** is home to **GAA's Special Populations Program** and **Unity Place** - a very special baseball field and playground equipped to serve the needs of children with disabilities, uniting **ALL** youth with and without special needs in recreational fun.

**The Special Populations Program** is a non-profit organization which offers baseball, basketball, and cheerleading to over 300 members who come from across Gwinnett County. We rely heavily on the generosity of sponsors to keep our program affordable to all participants. We would like to give you an opportunity to become a sponsor of **GAA's Special Populations Program** and share in our mission to ensure that children with disabilities have the chance to play recreational sports. Your contribution will go directly towards reduction of player fees, scholarships, equipment, trophies, and group outings.

Thank you in advance for supporting the youth of Gwinnett with disabilities.

Sincerely,

Joel Bagley  
Director of Special Populations Program
